World Skin Health Day Celebration by the Nigerian Association of Dermatologists

World skin health day

Healthy skin for all Nigerians

Goldfish sea hospital, kano
No: 09167424323

The NAD celebrates World Skin Health Day on June 1 every year; a day set aside to recognize and promote skin health worldwide. It is a joint project of the

CONGRATULATIONS to New Dermatology Fellows!

Congratulations to the new fellows of the Postgraduate Medical Colleges in Internal Medicine and the subspecialty of Dermatology:

- Dr Obum C Ezeanyaeche, Lagos University Teaching Hospital (LUTH)
- Dr Anthony Eitokpah
- Dr Edesiri Ighorodje, University of Uyo Teaching Hospital (UUTH)

We wish them successful careers as dermatovenereologists as they contribute to advancing dermatology and skin health in Nigeria and worldwide.

International League of Dermatological Societies (ILDS) and the International Society of Dermatology (ISD).

The 2022 World Skin Health Day Nigeria theme was "Healthy Skin for all Nigerians", and the sub-theme was "Curbing the scourge of skin lightening in Nigeria". Dermatologists from all over Nigeria
